| PI and Department    | For each new (or renewal) Subaward:  
  • Verifies any subsequent paperwork needed from the Subrecipient that was not received with the Subrecipient Commitment form, such as:  
    o Human and/or animal subjects approvals  
    o PHS Financial Disclosure Form  
    o Certificate of Compliance  
    o Financial Audit Management Questionnaire  
    o Fair & Reasonable Cost-Analysis  
    o F&A and/or fringe rate agreement  
  • Completes in entirety the OCGA Subaward Checklist – Attachment C [http://www.research.ucla.edu/ocga/Forms/Subaward](http://www.research.ucla.edu/ocga/Forms/Subaward).  
  • Specifies in the Bruin Buy (BB) requisition the following information:  
    • Project title, UCLA Principal Investigator, Subrecipient Principal Investigator, Sponsor, and award number of the UCLA grant;  
    • Period of performance for this Subaward (which may not exceed that of the Sponsor’s award);  
    • Dollar amount of the Subaward.  
  • For awards subject to the UCLA federally approved modified total direct cost (MTDC) rate calculation, allocates funds between object code 7310 (for first $25,000 of Subaward, which is subject to F&A cost recovery) and 7300 (for dollars in excess of $25,000 and therefore not subject to F&A cost recovery). For other F&A rate calculations, allocates all funds to 7310.  
  • Adds $1.00 to the requisition.  
  • Sets the BB requisition receiving flag to “Y” so that “receiving” must occur prior to each invoice payment.  
  • Enters BB Requisition # onto the Checklist.  
  • Submits copy of Checklist and attachments, as specified on the Checklist, to OCGA Subaward Team via email ocgasubawards@research.ucla.edu. |

| Purchasing Subaward Buyer     | • Reviews the requisition, **Subaward Checklist**, and attachments to verify:  
  ▪ The “Award Snapshot - Type of Award” is either a grant, subgrant, or a cooperative agreement,  
  ▪ The requisition VCK Name/Address agrees with that on the **Checklist**,  
  ▪ The receiving flag is set to “Y”,  
  ▪ $1.00 is added to keep the PO open.  
  • Drafts the PO as a G-class order, and provides PO number to OCGA Subaward Team. |
| OCGA Subaward Team            | • Reviews the **Checklist** and attachments, and informs of subsequent paperwork needed from Subrecipient. Reviews and verifies, as appropriate:  
  ▪ Subaward Checklist and PO are current and complete  
  ▪ Determination as Subrecipient, and not Contractor (vendor), is appropriate  
  ▪ Commitment is authorized, and scope and budget are appropriate, including indirect costs and/or cost sharing  
  ▪ Certification requirement checks (conflict of interest, etc.)  
  ▪ Prime terms allow for Subrecipient  
  ▪ Prime funds remain to fund Subrecipient  
  ▪ Subrecipient and Subrecipient PI debarments, suspensions and active agency exclusions  
  ▪ [Visual Compliance](#)  
  ▪ [System for Award Management](#) (SAM)  
  ▪ Is Subrecipient subject to FFATA requirements  
  ▪ Checks [Harvester website for A-133](#) compliance  
  ▪ Obtains information about Subrecipient as necessary  
  ▪ Reviews appropriate conflict of interest requirements  
  ▪ Reviews all federal compliance regulations, as needed  
  ▪ Includes CFDA number, FAIN number, FFATA if applicable.  
  ▪ Insurance levels as appropriated  
  ▪ Subject Use approvals  
  • Drafts the Subaward, including PO number, flow-down of appropriate award terms and conditions from the Sponsor, PI/Department special provisions, institutional standard clauses/compliance requirements, and other clauses as appropriate to the work being performed.  
  • Attaches copy of Sponsor terms and other documents, as appropriate.  

**NOTE:** If under a federal prime sponsor a subaward cannot be issued if the Subrecipient is not registered in System Award Management Systems (SAM).

</table>
| **PI with Departmental Assistance** | **Subaward not contemplated by proposal:**  
- Shall notify and work with the OCGA Grant Officer/Analyst to obtain Sponsor approval, if required.  
- Completes all PI/Department steps described in Section A (“Proposal Development and Submission”) through Section E (“Compliance Review and Execution of Subaward”).  
**Programmatic monitoring:**  
- Obtains from the Subrecipient deliverables including technical progress reports, case reports, data completion forms, equipment/inventory/property reports, invention reports, etc., as applicable per the Subaward terms and conditions.  
- Distributes copies to central units, as appropriate.  
- PI certifies that the Subrecipient’s performance is being achieved and provides current compliance documents, as applicable, when requesting any Subaward modification.  
- Notifies OCGA Grant Officer/Analyst or Subaward Team in writing of programmatic or technical issues that arise during the period of performance, including lack of progress. |
| **PI with Departmental Assistance** | **Fiscal monitoring:**  
- Obtains invoice (based on the terms included in Subaward agreement). Reviews invoice, verifying that:  
  ▪ In accordance with the approved budget,  
  ▪ Provide evidence of costs incurred within the approved period of performance and overall cost limitations,  
  ▪ Aligned in terms of cost and type of expense with the scientific/technical progress reported to date,  
  ▪ Allowable, allocable, and reasonable, and Certified by the Subrecipient’s institutional official as required in 2 CFR 200.415 (a).  
- Signs the invoice, certifying items above, have been completed and that the invoice is approved for payment.  
- Submits signed invoice to Departmental office.  
- Determines necessity for scheduled programmatic and financial reviews, site visits, and evaluations. Consults with OCGA Subaward Team and/or EFM, as necessary. |
| **Department** | **Notes PO number on invoice and makes a copy for records.**  
- Submits original invoice bearing Subrecipient’s certification, as well as UCLA PI’s certification and signature, to Accounts Payable.  
- Performs receiving in BB, being careful to ensure input is on the correct line of the order. Refer to “How to Perform Receiving on Subawards” on the BB website: [http://userguide.bruinbuytraining.ucla.edu/](http://userguide.bruinbuytraining.ucla.edu/)  
- For awards using the UCLA federal F&A rate calculation, assures that the first $25,000 of Subrecipient’s invoiced expenditures are posted to object code 7310 and the remaining charges are posted to object code 7300. For assistance refer to BB website: [http://userguide.bruinbuytraining.ucla.edu/](http://userguide.bruinbuytraining.ucla.edu/)  
- Notifies EFM in writing of financial issues that arise during the period of performance.  
- Submits copy of final invoice to EFM, and to Equipment Management if equipment has been purchased. |
| Accounts Payable                                                                 | • Conducts second level review of invoice by verifying:  
|                                                                               |   ▪ Period of performance specified on invoice falls within obligation period as specified in the PO,  
|                                                                               |   ▪ Invoice contains certification statement signed by Subrecipient’s authorized representative,  
|                                                                               |   ▪ Invoice contains signature approval of UCLA PI,  
|                                                                               |   ▪ Subrecipient’s invoiced expenditures are posted to the correct object code.  
|                                                                               | • If all criteria are met, “schedules” invoices in BB and releases payment. In the case of any questions or discrepancies, communicates with Departmental contact for resolution.  
| Department                                                                    | If not already done, enters receiving information to BB once payment notice is received from Accounts Payable.  
| OCGA Grant Officer or Analyst and/or Subaward Team                          | Administrative Monitoring:  
|                                                                               | • Provides administrative guidance to PI and Department regarding technical/administrative issues including, but not limited to:  
|                                                                               |   ▪ Human or animal subjects approval,  
|                                                                               |   ▪ Subrecipient stop work due to prime termination/non-payment,  
|                                                                               |   ▪ Termination of Subaward for cause (non-performance),  
|                                                                               |   ▪ Delinquency of reports,  
|                                                                               |   ▪ Unsatisfactory deliverables,  
|                                                                               |   ▪ Non-compliance with terms and conditions,  
|                                                                               | Regulatory compliance monitoring:  
|                                                                               | • Obtains updates to Subrecipient’s certifications, representations, and assurances as necessary/required.
