#### **April 15, 2020: Update to OHRPP COVID-19 guidance**

The [OHRPP COVID-19 FAQ](#) has been updated for clarity and to add a Q/A for consenting processes during COVID-19 isolation.

In addition, the [deviation log](#) has been updated to include a column to indicate when a deviation is COVID-19-related to assist study teams in documenting deviations caused by COVID-19 disruptions.

If there are any COVID-19-related human subjects research questions not addressed in the COVID-19 FAQ, please contact OHRPP at [ohrppeq@research.ucla.edu](mailto:ohrppeq@research.ucla.edu)

This message was originally sent via the **Human Research News** mailing list. If you would like to subscribe to future announcements, please visit the [ORA and Department News subscription site](#).
