5) DGSOM Virtual Town Hall on Friday, April 17, 2020 from 11AM to noon. To join the Virtual Town Hall: <https://uclahs.fyi/scientific-prioritization-townhall>

This meeting will provide a forum for discussion of topics of interest to all those interested in COVID-19 clinical research that utilizes UCLA patients or healthcare workers or clinical research infrastructure. This includes the role of the newly announced scientific prioritization and feasibility committee to help in helping navigate priority and feasibility and access for clinical trials, clinical data, and biospecimens.

The panel will include the following:

- Kelsey Martin, Dean, DGSOM
- Steve Smale, Vice Dean for Research

- Steve Dubinett, Vice Chancellor for Research
- Arash Naeim, Chief Medical Officer for Research
- John Glaspy, Professor of Medicine, Jonsson Comprehensive Cancer Center
- Judith Currier, Co-Chair of COVID-19 Clinical Task Force
- John Belperio, Chair of COVID-19 Research Prioritization and Feasibility Committee
- Sarah Dry, Interim Chair of Pathology and Laboratory Medicine
- David Elashoff, CTSI Leader for Biostatistics, Study Design, and Clinical Data Management

**6) The [OHRPP COVID-19 FAQ](#) has been updated for clarity and to add a Q/A for consenting processes during COVID-19 isolation. If there are any COVID-19-related human subjects research questions not addressed in the COVID-19 FAQ, please contact OHRPP at [ohrppeqi@research.ucla.edu](mailto:ohrppeqi@research.ucla.edu)**

**7) We are excited to welcome the Office of the Human Research Protection Program's newest Team Members:**

- **Tiffany Rose, QIU Senior Analyst**
- **Lubabah Helwani, Principal Analyst**
- **Rachel Clementine, MIRB1 Analyst**
