

Human Research News

October 19, 2020

1) Closure of Inactive Expired Studies

- An update to the webIRB system will go live later this week. This update will automatically close studies that have been expired for 60 days or more without a continuing review application in process. WebIRB will send a notice to investigators if their study is closed with this automated function.

2) OHRPP's "Learn at Lunch"

a. October 21st
