November 18, 2019: OHRPP Updates

Annual PI/FS Assurances

Starting in October 2019 webIRB has issued system reminders for Principal Investigators (“PI”) and Faculty Sponsors (“FS”) to complete Annual Assurances for research approved on or after January 21, 2019, where the IRB determines that annual continuing review is not required.

Consent Template Updates

The following [OHRPP informed consent form templates](#) have been updated to reflect requirements of the 2018 Revised Common Rule:

- Minimal Risk Consent Template
- Minimal Risk Consent Template for Federally Funded Research
- Research Information Sheet
- Biomedical Research Consent Template
- Social, Behavioral & Education (“SBER”) Research Consent Form Standards and Template Language
- Biomedical Research Consent Form Standards and Template Language

OHRPP’s Noontime Series will re-launch in January 2020

This monthly presentation will cover topics related to human subjects research at UCLA. *Stay tuned to Human Research News for topics, dates, and locations.*

OHRPP is interested in your topic ideas for our Noontime Series. Please send your suggestions to ohrppeqi@research.ucla.edu

The OHRPP is hiring!

We have two open positions:

[Senior Administrative Analyst](#) – in support of the Quality Improvement Unit of the OHRPP
[Administrative Analyst](#) – in support of OHRPP leadership
