

UCLA Multi-Factor Authentication (MFA) and Research Administration Systems

October 12, 2017

UCLA

MFA Is Coming for Employees

Beginning at 9:00 a.m. on October 31, 2017, all UCLA campus employees including staff, faculty, and student employees will be required to use Multi-Factor Authentication (MFA) to access campus systems using their UCLA Logon ID.

To learn more about this important security measure and to enroll, please visit <https://www.it.ucla.edu/mfa-for-employees>.

I have read this notice. Please do not display this notification in the future.

ACCESS

Effective Date: **October 31, 2017**

Who Will This Impact?

All faculty and staff

All student employees

Optional for UCLA Health System

- 2200: David Geffen School of Medicine
- 2500: Medical Group (FPG)
- 2600: Vice Chancellor Health Sciences
- 3200: Semel Neuropsychiatric Institute
- 3300: Resnick Neuropsychiatric Hospital
- 4000: Medical Center (RRUCLA, SMH)

What Systems Will Be Impacted?

- All systems protected by UCLA single sign-on (SSO)
- Research Administration systems

A screenshot of the UCLA single sign-on (SSO) login interface. The background is a blue sky with clouds. The word "UCLA" is prominently displayed in large white letters at the top. Below it, the text "Sign In with your UCLA Logon ID" is centered. There are two input fields: the first is labeled "Your UCLA Logon ID" and the second is labeled "Your UCLA Logon Password". A blue "SIGN IN" button is located below the password field. To the right of the button, there are two links: "Forgot your UCLA Logon ID or Password?" and "Need a UCLA Logon ID?". The background of the slide shows a grid of various system logos, including "portal", "B", "PA", "EP", and "Research Administration".

MFA AT UCLA: EMPLOYEE RESOURCES

Multi-factor authentication (MFA) is coming to UCLA Logon ID in October! Enroll now and safeguard your account.

HOW DOES MFA BENEFIT ME?

Due to the dramatic rise in the scope and sophistication of phishing, spear phishing, and malware attacks targeting UCLA faculty and staff, we are deploying MFA for UCLA Logon accounts. Enroll now. [Read more...](#)

HOW DO I ENROLL?

Enrolling in MFA should take about five minutes, and it will make a big difference in securing your accounts. Follow [these steps](#) provided by Bruin OnLine or contact your local IT department for assistance. [Read more...](#)

GET HELP

Your local IT department can assist you in enrolling. The UCLA Information Security Office and Bruin OnLine also offer MFA enrollment support office hours, where you can walk in and get one-on-one assistance. [Read more...](#)
