

OHRPP BruinIRB Update & Announcements

May 12, 2022

OHRPP Updates

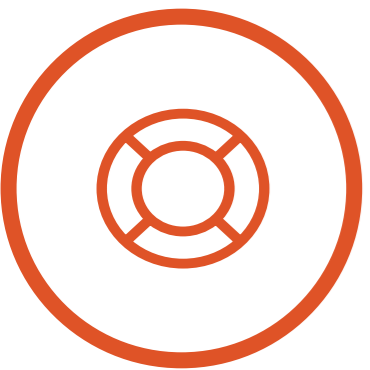

The graphic consists of three horizontal arrows pointing to the right, stacked vertically. Each arrow has a 3D effect with a shadow on its left side. The top arrow is orange and contains the text 'BruinIRB Update' and a lifebuoy icon. The middle arrow is olive green and contains the text 'OHRPP Ammouncements' and a calendar icon with the number '31'. The bottom arrow is blue and contains the text 'Human Research News' and a house icon.

BruinIRB Update

- OHRPP convened a meeting of the *faculty advisory board* on April 27th to view a demo and provide feedback on phase 1b (reliance applications) of BruinIRB development
- Faculty advisors had questions and suggested some changes, many of which are being worked on now by the ORIS development team

BruinIRB Update

- Additional stakeholders are reviewing and providing feedback
- We are hoping to deploy phase 1b before the July 4th weekend. Stay tuned for updates.
